

Board Position Rotation

The Board consists of five members with two-year terms each. Three members are elected one year and the next year two are elected. This method of alternating assures consistency from year to year.

If a Board member resigns or cannot complete their elected term, the remaining members appoint a replacement to fulfill until the end of the term, at which time the position is elected again.

Even years: Vote for A, B, C

Odd years: Vote for D, E

	A	B	C	D	E
